About us

Speclabel is a well established Self-Adhesive Label company in India, operating since 2007. Equipped with the latest technologies in Flexo printing and labelling systems, we ensure 100% quality and cost effective labels delivery to our customers.

In-line with our Labeling services, we also provide Identification and Tracking Solutions to clients for Automating their Business Operations using RFID and barcode technologies.

With a strong team of over 150 people, we serve 500+ clients, covering various industry segments like Food and Beverages, Personal Care, Lubricants, Pharma, White Goods, Chemicals, Engineering tools, and so on.

Our Quality Policy

"We at Speclabel are committed to not only satisfy the Customer's Expectations, but to bring about Customer's Delight. "

We are committed to accomplish quality objectives at all levels & functions by implementing, reviewing and maintaining the Quality Management System that complies with the requirements of ISO standards.

We shall achieve this by :

- Providing the products, made out of the best raw materials available in the market- label stocks, inks, dies, foils & so on.
- Providing timely product & services that fully satisfy our customer requirements
- Making constant and continuous efforts in product & process innovations with a view to improve quality of finished products & optimizing costs
- Maintaining conducive work environment in which Quality, Innovation, Efficiency and Safety are encouraged and fostered

Our Advantage

Our Advantage

ONE STOP SOLUTION: Speclabel is a Total Labelling Solution provider for all your labelling needs from designing labels to supplying labels to automating the process by providing world class labelling machines and bar code solutions.

INFRASTRUCTURE: We use the latest UV Flexo & Letter Press Printing System that prints up to 10 colours on various films and papers with silk screen printing, foiling, printing on foil, varnish or lamination finishes. This gives us the flexibility to deal with every application as per requirements. Our state-of-the-art prepress, press, printing machines and strict quality control makes us one of the top self-adhesive label manufacturers. Backed with high-end AVT Camera Inspection systems, we ensure highest quality standards, quick delivery and competitive pricing.

EXPERTISE: In over 20 years of labelling experience, we have been taking on the challenges in the Indian labeling industry and providing exceptional results. We deliver total labelling solutions that include various applications for all major possible industries. We provide value for money, competitive lead times and flexibility owing to our state-of-the-art label printing machines and progressive manufacturing methods.

INHOUSE PREPRESS FACILITIES: A fully equipped, state of the art, in-house prepress department helps ensure that printing plate quality is of the utmost standard available and lead times are not dependent on a third party's ability and efficiency.

WIDE RANGE OF LABELS: We can print a wide variety of labels, be it promotional labels, no look labels, liquor labels, cosmetic labels, food grade labels, security/tamper evident labels, performance labels or blank labels for bar code application.

CONTINGENCY PLAN : Having 4, fully loaded converting machines in our plant, we have the capability to convert most of the labels we make, in any of these machines. Hence, in case of any eventuality, we can supply labels of the same quality to the customer, made from any of our machines.

QUALITY CONTROL : With a fully equipped QA department, having testing facilities for Raw Material testing - Peel, GSM, Scuff, Tape tests, and more, we guarantee reliable and consist levels of quality throughout our service to you.

Industry Segments Catered

Food & Beverages:

Home Care Chemicals :

Personal Care :

Pharmaceuticals :

Lubricants & Agrochemicals :

Some Special Applications

Drum Labels:

Our drum labeling solutions ensure ease of application, oil resistant, tamper evident features, Variable printed Labels on demand and attractive appearance. These provide resistance to sunlight, rain & dust.

Performance & Durable Labels :

We expertise in providing highly durable labels for applications like Printed Circuit Boards, Solar panels, Automotive/aerospace, Medical and Manufacturing applications where high temperature and solvent resistance are critical. These labels can last for as long as even 20 years in external conditions.

Security/Tamper Evident Labels : We present a range of security solutions which include security holograms, inks, cuts, micro text, invisible ink, tamper evident seals, and so on.

Shipping & Logistics: At Speclabel, we can provide you with thermal transfer, direct thermal labels & tear-proof labels, for various applications, like cargo shipments and baggage tags.
